## ***Our Guest Presenters***

**Kevin Hipkins, Royale Orchids,  
Peats Ridge. NSW**

Royale Orchids was established by Kevin's parents some 50 years ago and relocated from Woy Woy to acreage at Peats Ridge about 20 years ago. The Nursery has developed from a backyard operation into one of the largest specialist orchid nurseries in NSW under Kevin's leadership. Kevin is known worldwide for his hybridizing programs using *Cym tracyanum* and *Cym erythraeum* to achieve new colour forms within hybrid cymbidiums. He took NSW Orchid Society 2012 Species of the Year with *Cym erythraeum* 'Paradise.' Described as an entertaining and colorful person, Kevin is a regular speaker at the Cymbidium Society of America Annual Conference held in conjunction with the Annual Santa Barbara International Orchid Show. He intends being at the 70<sup>th</sup> Santa Barbara event a week before the Tuross Head Workshop. Kevin has history on the South Coast – he was the Speaker at the EOC's October 1997 Meeting on his way to that year's Regional Conference in Bega and was involved with, and sponsored, EOC's "Orchid Odyssey 2001" Show and Regional Conference at Batemans Bay.

## ***Our Guest Presenters***

**Walter (Wally) Rhodes,  
Camira Orchids,  
Tea Gardens. NSW**

Wally has been growing orchids for more than 50 years. He specialises in Paphs and has been breeding them since 1968. Wally established Camira Orchids in 1976 with a breeding, flasking and growing program for Paphs, Odonts, *Sarcochilus* and *Miltonia*. The production side of his enterprise was moved to Taiwan in 2003. Wally has been a Judge since 1964 and has officiated in Australia and at various overseas events and World Congresses. He was a Guest Speaker at the September 2014 Tasmania Orchid Conference in Launceston, alongside Ray Clement and Scott Barrie. Wally's history with the Annual March Workshop program goes back to the 1999 Workshop conducted by the Sapphire Coast Club.

**Clive Halls, Mt Beenak Orchids,  
Three Bridges. Vic**

Clive's introduction to orchids was as an Apprentice Nurseryman to Sanders Orchids UK. Following resettlement in Australia, Clive and wife Agi established Mt Beenak Orchids in 1979. They have specialized in cool growing orchids and now concentrate on *Masdevallias*, *Oncids*, *Zygopetalums* and *Sarcochilus* and undertake most of their own breeding and germination in their own lab. Clive was a Guest Speaker at the 2009 Annual March Workshop held at Tathra. That same year Clive and Kevin Hipkins were keynote speakers at the 18<sup>th</sup> AOC Conference hosted by the Maribyrnong Orchid Society, Vic.
